

## **Pitt County Youth Lacrosse**

Lacrosse is the fastest growing sport in America today and it is coming to Greenville and Pitt County! Lacrosse is already established in Eastern NC and we are starting both boys' and girls' teams to compete in league play with teams in the region for the spring season.

Spring Lacrosse season runs from mid- March through May. We plan to have an under 15 and under 13 team for this upcoming season (ex: U-15 born on or after 1/1/91). During the season we will practice twice a week and have games on Saturday.

**NO PRIOR LACROSSE EXPERIENCE IS NECESSARY.**

**OUR NEXT CLINIC WILL BE ON SATURDAY, FEBRUARY 4 FROM 10 A.M. - 11:30 A.M. AT JAYCEE PARK. (LAST CLINIC BEFORE THE SEASON)**
